

BECOME AN EDUCATIONAL DONOR TODAY!

Greetings! Thank you for your interest in **The MASTER Learner Foundation!** What kind of learner are you?

The purpose of the MASTER Learner Foundation is to provide scholarships or grants to students and/or teachers to attend Heart for Education programs, classes, workshops, etc. that focus on Math, Arts & Athletics, Science, Technology, Engineering, and/or Reading, (*hence the MASTER acronym*) with priority given to students who are academically in the middle, who do not receive funding from another source, and/or who are socioeconomically disadvantaged.

Our ability to give financial aid is a critical part of ensuring the success of the organization. We currently serve students & teachers in the Rowland Unified School District and surrounding area.

DONOR LEVELS

MASTER Supporter Level: Every \$100 provides a student with a scholarship for the summer program. *Donors will be acknowledged on the MASTER Learner website.*

Cum Laude MASTER Supporter: Every \$1000 provides 10 students with summer program scholarships. *Donors will receive the above plus a personal invitation to the summer Demonstrations of Learning event.*

Magna Cum Laude MASTER Supporter: Every \$2500 provides a class of 25 students with summer program scholarships. *Donors receive the previous benefits plus recognition on future MASTER Learner publications/flyers.*

Summa Cum Laude MASTER Supporter: \$10,000 provides 4 classes of students from TK – 6th grade with summer program scholarships. *Donors receive the previous benefits plus recognition on future MASTER Academy summer publications/flyers.*
